A. General Guidelines

- 1) All future developments and constructions shall be in conformity with the provisions of this scheme and the applicable Building Rules in force in the area, unless otherwise specified in these regulations/scheme.
- 2) Details regarding the nature of uses 'permitted' and uses 'restricted' in the zone are included herewith. In addition to the same, guidelines for regulating developments are also provided herein.
- 3) 'Uses Permitted' in a zone cover the uses that can be normally accommodated in the relevant zone. Such uses may be permitted by the Secretary, if in accordance with other relevant Acts, rules and orders concerned in force.
- 4) In some cases, it may be possible to permit some other uses also which are not likely to affect the quality and environment in a zone specified for a particular use. Such cases have to be individually studied based on their performance characteristics and special location factors. Such cases which come under this category are classified as 'Uses Restricted' and are included as "Uses Restricted".
- 5) 'Uses Restricted' category deals with the uses that may be permitted by the Secretary

- with the concurrence of the Town Planner.
- 6) Those uses which are not included under "Uses Permitted" or 'Uses Restricted' shall be treated as 'Uses Prohibited'.
- 7) Operational constructions as defined in the Kerala Town and Country Planning Act, 2016 (9 of 2016) shall be treated as permitted use in the scheme area.
- 8) Any use which is not explicitly included as uses permitted or uses restricted in a zone, but is of similar or ancillary nature to the uses permitted or uses restricted in a zone, may be permitted in such zone, with the concurrence of the Town Planner.
- 9) Subject to the zoning regulations of the respective use zones, more than one use may be combined in a building or plot, provided that the area of each individual uses shall be limited to that area prescribed for each such use, (if such limits are prescribed for such use) in the zoning regulation for the respective zone.
- 10) Notwithstanding anything contained in this scheme rules, provisions with regard to F.S.I, Coverage, Exterior open spaces, Parking, building line and Access as mandated in the Building Rules in force in the area shall prevail over the respective provisions if any mentioned elsewhere in the scheme rules.
- 11) If any portion of a zone is put to a 'Use (s) Prohibited', before the sanctioning of variation of this Detailed Town Planning Scheme, such use shall be termed as nonconforming use.
- 12) A non-conforming use may be allowed to continue in its existing location and essential repairs and maintenance for the structure may be permitted provided that the said use create no adverse environmental influence in the zone. Addition, alteration or reconstruction if found necessary as part of any mitigation measures may be permitted for such uses with the concurrence of the Town Planner.
- 13) For all purposes of this scheme, land/area proposed to be acquired for any use shall be treated as land/area reserved for such use.
- 14) Existing areas and structures of archaeological importance, agricultural uses and religious uses may be permitted to continue in all zones.
- 15) No provisions in this scheme shall prevent implementation of any project/scheme of Central, State or Local Government and Government approved projects by quasi Government agencies. Such projects shall be treated as permitted uses in all zones and shall conform to widening of roads or new road alignments envisaged in the scheme and other applicable statutes.

- 16) Provisions under the Disaster Management Act, 2005 (Central Act 53 of 2005), The Ancient Monuments and Archaeological Sites and Remains Act, 1958 (Central Act 24 of 1958), The Coastal Zone Regulations, The Aircraft Act, 1934 (Central Act 22 of 1934), The Environment Protection Act, 1986 (Central Act 29 of 1986), The Kerala Conservation of Paddy Land and Wetland Act, 2008 (28 of 2008) and any other applicable statutes as amended from time to time will prevail over the respective provisions of this scheme.
- 17) Silence zone, as prescribed by the Noise Pollution (Regulation and Control) Rules, 2000 as amended from time to time, shall be applicable to such areas under this Scheme
- 18) Disaster mitigation projects by competent authorities shall be permitted in all zones.
- 19) Large Scale development projects in an area of 1 hectare or more, exceeding an investment of Rs. 100 Crores, which will provide direct employment (after commissioning of the project) to the tune of not less than 500 persons may be permitted in all zones, even if not included in the permitted uses or restricted uses as per zoning regulation applicable. In such cases, the recommendation of a committee as stipulated in the "Special Provisions for Large Scale Development Projects approved by Government" in the building rules in force, (currently in Chapter IX of Kerala Panchayath Building Rules, 2019), subject to satisfying the procedures laid out here under and the Secretary shall comply the same while issuing permit.
